DICK... AND DOM

Lydia, my girlfriend, is a big girl – and I don't mean that she's fat, but rather that she is strongly built and statuesque, which I find extremely attractive. She also has a rather imposing personality, but her good looks and high sex drive more than make up for her taciturn behaviour. We've been living together for two years, and from the start she was the dominant partner. I have a highly paid but stressful job in the financial services sector, which involves the

responsibility of overseeing a considerable workforce.

Which is why in the evenings I'm willing to hand over the responsibility of our daily lives to Lydia, which also keeps her happy. She likes the house to run smoothly, dividing the daily chores between us. The suits me perfectly as, by the end of the working day, I'm stressed out from making decisions and it's nice not to have to do the same at home. I'm generally more than willing to do the more menial chores: putting on an apron and rubber gloves to clean the oven is a relaxing feeling after a day at the office, believe it or not!

However, as Lydia has a very strong personality and expects the house to be kept to a high standard, it was inevitable that I'd eventually feel hen-pecked and tempted to protest. And that began when she walked into the dining room where I was vacuuming and ran her finger along the top of the sideboard, scolding me for the accumulation of dust that I'd allowed to build up.

Stung by the unfairness of her attitude, I replied curtly that I had quite enough to think about at work without her forever criticising me over domestic trivialities. Glaring at me ominously, she warned me never to speak to her in that tone again, adding that she'd be back in half an hour and that the room had better be spotless,

BUSH BABY!

Dear *Mayfair*,

I've always preferred girls with a bit of covering downstairs, so when I saw the coming next month picture in 49.11 of Ava Dalush with the sneaky hint of pubes on show I knew I'd be keeping an extra keen eye out for 49.12 – and what a treat when I finally spotted a copy and got it home! She really is a stunning looking girl, and that neatly trimmed thatch of pubic hair really shows off her delectable pussy to great effect! I don't know how she manages to get it all so neat down there, with the labia perfectly exfoliated and that neat triangle of pubes above it, but that wonderful bum shot of her on page 49 exemplifies just about everything I could ask for in a photo-shoot! If she ever needs a hand with her lady-gardening, I'd be very happy to volunteer my services! A very happy reader, via email.

“or else.”

Too surprised to respond, a strange feeling crept over me and, inexplicably, I felt my cock harden as I pondered what she could possibly mean by “or else.” Half of me didn’t want to find out, but my prick was still so stiff from the telling-off I was almost tempted to call her bluff. In the end, I decided to quickly run the duster around so I could find a quiet spot to have a much-needed wank. I was surprised to find that while I was polishing – the sideboard and my knob – images of Lydia dressed as a dominatrix haunted my thoughts.

From then, similar incidents started happening practically daily and although I didn’t actively encourage her, I was becoming more turned on by each new humiliating incident that occurred. Over the next few days, Lydia became more dominant and bossy and I, in turn, became more humiliated and randy – my cock almost constantly hard and tent-poled under my pinny.

Although I found the idea of Lydia dominating me sexually arousing, I had thought it would remain my own little fantasy, until she came into the kitchen one day while I was cleaning the fridge. I didn’t realise she was there until I felt one of my buttocks being painfully pinched with the sharp tips of her long nails.

I jumped and spun around... Feeling my cock harden instantly when I saw what she was wearing: thigh-high leather boots, a leather mini-skirt and a low cut latex boob tube. It was everything I’d dreamed about over the previous weeks! Admittedly, I was mildly concerned by her intimidating demeanour and the uncertainty of what would happen next.

“What do you mean by cleaning the fridge without my permission?” she demanded, scraping a scornful finger across my growing bulge. I swallowed hard, trying frantically to assess the

ARI STYLES!

Dear *Mayfair*,

Much as I love your regular girls (especially Emma Green and Tommie Jo!), it’s always a treat when you feature a new face, and I was absolutely blown away (I wish!) by the pictures of Ariana I your latest issue. What a stupendous looking girl – and she’s clearly none too shy, either! Please pass on my warmest regards to the girl herself (whom I hope to be seeing in *Mayfair* again soon) – and to the photographer Tammy Sands, who did such a marvellous job of capturing this girl’s beauty. This is the sort of thing that keeps me buying *Mayfair* month in and month out!

Alan, Sudbury.

“I LAPPED THE LENGTH OF HER GASH, ENJOYING HER MOANS AND THE WAY HER VAGINAL MUSCLES CONTRACTED AS I STIMULATED HER...”

situation, unsure if I genuinely wanted to be dominated now that it was happening. Deciding that I would see how it went, I apologised, and as Lydia stood watching me with her hands on her hips, I shoved everything in the fridge as quickly as possible.

Yelling at me to go faster, Lydia was thoroughly enjoying her role, but it wasn’t till she called me a maggot and pulled my hair rather gently that I knew that it was all role-play – thank goodness! This alleviated any fears I had and suddenly the rougher the treatment, the more turned on I became, my veined member so rigid that it was painful.

To my surprise, Lydia actually smiled and winked at me. Then, in a more seductive manner, but with no less authority in her tone, she commanded me to service her upstairs.

I followed her up the staircase, my eyes fixed on her luscious, leather-clad arse. Once in our room, Lydia lay on the bed and ordered me to strip. Hopelessly aroused, I hastily obeyed before crawling between her thighs. She wasn’t wearing any knickers, so I simply pulled her pussy lips apart and ordered me to suck her slit.

Her cunt was wet and inviting and the scent of her pussy perfume made my prick twitch with need. I lapped the length of her gash, enjoying her moans and the way her vaginal muscles contracted as I stimulated her to a noisy orgasm.

Before long she was bucking her twat into my face then, reaching down, she grabbed my hair and pulled me up on top of her. “Fuck me hard,” she instructed. Then came the sting in the tail. “Like you would if you were a real man.”

It hurt, but had the desired effect on me, as I forcefully rammed my cock inside her and began to fuck her harder than I had ever dared – or wanted – to before, not caring if it hurt her. Pulling her top aside, I dug my fingertips into her tits, while my penis sawed in and out of her cunt, which suddenly gripped my shaft so ferociously I couldn’t move! Talk about strong pussy muscles!

From there on in, intercourse was no longer so much a case of me thrusting, but of trying to twist my cock out of the savage vice-like pressure her cunt was exerting! With her strong muscles squeezing, squashing – almost throttling – my meat, the masterful bitch physically milked me, and my cockhead fired grateful wads inside her.

Since that icebreaker, our sex life has gone from strength to strength. It turns out that we both enjoy all manner of BDSM – but always with Lydia as my Mistress. And now that she’s dominant in the bedroom, she’s less controlling when it comes to the domestic chores!

Richard, Cirencester.

Will you just look at that chest? It looks like it's seen a bit of action in its time, doesn't it?

"Hey, what are you trying to say? I'm very proud of my chest – everyone tells me I've got really lovely boobs!" wails Bexie.

Doh! We're talking about that chest you're sitting on! We wouldn't dream of having a word said against your actual boobs!

"Oh, right – I'm very pleased to hear it! Yes, it does look like the chest's seen a bit of action, doesn't it? I wonder how old it is, and whether it's travelled very far in its lifetime? Perhaps it used to belong on a clipper or something, sailing the seven seas..."

What a romantic imagination you've got! We'd just assumed it was some fat kid's tuck box from when schools still bothered with that sort of thing, but perhaps you're right – maybe it has sailed the world!

"Just think of the stories it could tell!"

Yes indeed, although it would have to have had a pretty amazing history for today not to be the highlight of its career! Having you, nude, sitting on top of it would take some beating, after all!

A LIFT HORSE...

When I started at my new company in Canary Wharf, I knew I was going to have to start at the bottom, but Jesus, thirty-eight floors down!

I work in the print room right at the bottom of the building, 38 floors below my direct boss, and spend most of my day going to and fro in the lift to his office. I would describe the job as utter hell were it not for the fact I sometimes share my journey with this dynamite brunette. She's about 20 years old, 5'7", with a fabulous curvy body, firm arse and a beautiful fuck me mouth. Having tried and failed to strike up a conversation with her a couple of times, I had decided we were destined to be silent passengers on our long lift journeys together, but that would soon to change.

She always stood in front in the lift with her back to me, looking at the doors and fidgeting with her clothes. One day, I accidentally dropped a couple of the prints I was carrying. As I hurriedly reached down beside her to catch the falling sheets I noticed – from the corner of my eye – her hand suddenly dart from inside her blouse.

I SLID HER WHITE PANTIES DOWN TO REVEAL A CUTE, SHAVEN, FLESHY MOUND.

I stood up startled at first, then slightly turned-on. She quickly straightened her clothes in a fluster but failed to hide her now erect nipples poking through her skimpy bra and blouse. The lift arrived at my floor and she got out.

Had I really seen her playing with her nipples? Sitting at my desk, thinking about this woman feeling herself up in the lift, made my cock hard enough to let my thoughts wander to how it would be if I fucked her in here, until the phone rang – back up in the lift again...

I stood in the lift as the doors closed when suddenly a dainty high-heeled shoe slipped between them forcing them open again. It was the brunette. For the first time, she smiled at me as she got in and turned to face the closing doors. We'd travelled about half way up when I heard the faint rustle of fabric. I felt really nervous knowing what she was doing, so with a raging hard on I stepped forward and slipped my hand around her, inside her blouse. There was no objection. Instead, it was greeted with a warm throaty moan. I pressed on and began gently kneading her left breast while she played with the right.

Pinching and twisting her nipple, it

became hard and stood proud about half an inch from her soft breast. My cock sprung into action and it pressed against her arse cheek. She reached behind and began stroking my cock through my trousers. This was the most dangerously exciting thing I'd ever done and I was so turned-on I could easily have come in my trousers. Suddenly the lift pinged and we both realised we had reached our floor and had half a second before the doors opened – luckily, there was no one there.

Immediately, I pressed the button to take us back down. Without a single word uttered I span her around and, while lifting her skirt up to her waist, lowered myself down so that I was eye level with her panty covered snatch. Her hand was inside them, opening and closing like a fist as she rubbed her love button. I slid her white panties down to reveal a cute, shaven, fleshy mound, with wet pink lips protruding.

She stopped rubbing herself just long enough to show me the glistening love dew on her fingers before guiding my face into her snatch. I pressed my hand against her stomach till she was leaning against the lift doors, and with the other hand I opened her fleshy curtains and explored this newfound treasure. I could see the shiny drops of her arousal as they formed on her lips and could smell the scent of a woman in heat. I pressed in with my tongue, probing for that little pearl that would bring her pleasure. Without all that hair in the way to slow me down I found it quickly, and just as quickly she pressed my head right into her steamy gash as she shuddered through a massive orgasm!

We got up and got ourselves straight. The doors opened and three people entered, and we left them in there with the scent of her gash, the whispered words, "meet me in the paper room," ringing in my ears.

I dropped by my office first and then went straight for the paper room – it's huge and full of reams of paper but is rarely visited during the day, plus I have one of the few keys to it – perfect. I waited for maybe a minute before there was a gentle tap on the door and a faint female voice hurrying me to open up. I opened and the "lift girl" dashed in. Again, not a word was uttered as her hands got busy with my fly, and in seconds she had my rock hard cock in her hands. She rubbed its length and stroked my balls and then bent forward and swallowed the entire thing in one gulp. Her mouth felt like hot lava on my cock as her darting tongue

UNDER COVERED

Dear Mayfair,

I gather from Twitter that Emma Green has again won your Covergirl of the year award (*Indeed she has!* – *The Ed.*). Please could you pass on my congratulations, and while I'm here, could I ask when you intend to actually put her on the cover again – it's been ages! The last time she was on the cover was 49.01, after all.

Dave, Cardigan.

Oops – you've probably got a fair point there, Dave! We'll have to make sure we right that wrong when we get a chance in the new year! And congratulations to Emma and all the other winners who bagged gongs at the Paul Raymond Awards night last month! – The penitent Ed.

lapped around my helmet, I felt my volcano was about to erupt! Lift girl could sense the impending explosion and started to suck harder. Before my jizz could flow, I wanted her to fuck me, so I asked. The smile that lit up her face told me that I had said the right thing.

Lying back on a desk, I watched her straddle me. With one hand she held my throbbing prick and with the other hand held open her cunt lips. I watched in fascination as those beautiful naked lips slowly swallowed my cock. She slid up and down and rocked back and forth with deathly silence as outside people carried on with their work, oblivious. As she raised and lowered herself onto my pole she rocked herself to another climax before the contractions of her orgasm brought jet after jet of hot spunk from my cock.

Without a word, she wiped her pussy with her panties and left me sitting there with spunk dribbling down my shaft. Not that I gave a fuck!

Dan, London.

Age: 25 Vital Stats: 32D-27-36 5'4"
Photographer: Tammy Sands

What the hey...?! Has it really been over a year since we last hooked up with blonde bombshell Spencer Scott? Well honestly, we think the Ed ought to hang his head in shame, rather than in the traditional drunken stupor! And is it our imagination, or is the girl herself in a particularly horny mood this afternoon?

"I'm always in a horny mood!" she giggles, giving one of her nips a little tweak to prove the point. "Why, didn't I look all that horny last time I was in to shoot for you guys?"

Oh, we wouldn't say that! Maybe it's just that, since a year or so has passed, we'd just forgotten how incredibly horny you actually are!

"Well there's a lesson for you if ever I heard one – don't go leaving it another year this time and then you won't have a chance to forget!"

Well we can't really argue with that, can we?

QUEST...

Bloody hell it looks like poor old Santa's been having a bit of a time of it this winter. Let's hope his sack isn't completely empty come the big night!

This year, Naomi, my best friend since primary school, had planned an awesome month-long trip to Thailand which meant she would be spending the whole festive season abroad, so she decided to organise an early girls' Christmas party for a laugh – and boy, did we have some fun! The four of us started off down the pub, throwing back the Mojitos like there was no tomorrow, before heading back to Naomi's house. We'd dressed up as sexily as we could for the occasion, at Naomi's insistence. Ally, who is the wildest of our gang, was dressed in her raunchy vamp gear: a lovely black velvet evening dress, with a plunging neckline that showed so much cleavage you couldn't help but stare. Kiera, on the other hand, had

gone for her usual shock value in a tiny black leather mini-skirt, see-through blouse with sparkly bra underneath and a pair of red, patent, thigh-length boots. Yes, the girl has just a bit of confidence!

Naomi wore her sexy female Santa costume with the white furry trim and I plumped for a PVC dress that I had been dying to wear since an ex-boyfriend had bought it me over a year ago. Finished off with black stockings and a pair of my highest black heels, I looked the part for a tarty girls' night out.

Age: 23

From: CREWE

Our hostess made us assemble in her decorated living room, as she said she'd prepared a big Crimbo surprise for us. Naomi grinned as she put on a CD of silly Xmas songs on the stereo, and as she necked the rest of her fizz as the kitchen door suddenly swung open... And there stood Santa Claus, complete with full costume and a massive sack!

"Ho, ho ho!" he bellowed as we all cheered, loudly. "Show the girls your special present!" yelled Naomi. Santa positioned himself in the middle of the floor and pulled up his tunic to reveal a massive semi-stiff prick that must have been all of nine inches long, with a huge purple bell-end twitching eagerly in our general direction.

There was a second of shocked silence before we all screamed and whooped with drunken excitement. Pleased with all the positive attention, the monstrous cock grew to its full size and jutted upwards in front of us.

Kiera completely surprised me by

leaning forward off the sofa and lunging for it, wrapping both hands around the shaft and yanking it towards her. Stuffing the tip in her mouth, her lips stretched to the limit as she attempted to suck Santa's girth down into her throat. Santa groaned beneath his big, white beard as Ally stood up and slowly wrapped one elegant, nylon-clad leg around his waist, before snogging him like some sex-starved vampire.

Completely out of character for me, the sight of that monster dong filling Kiera's gob and her arse poised mid-air above the sofa got my juices working, so I moved towards her and slid my hands up her torso, cupping her naked boobs beneath her sheer blouse.

"He's all ours for two hours, girls, so make the most of it," giggled Naomi, as she knelt down beside Mr Claus. She grabbed his dick and pulled it from Kiera's mouth with a slurp, before sucking it into her own. Kiera turned her attentions to me, pushing me down onto the floor, and groping up my tight skirt for my pussy.

Breathing heavily, I lifted my arse off the floor to allow her easier access and she pushed my

stockinged thighs wide apart before plunging her lovely warm, wet tongue deep inside my slit. I gasped at the sensation, and as she tongue-fucked me and sucked on my swollen clit I found myself wondering why we'd never been tempted to get it on before.

Kiera definitely knew what she was doing – which was hardly a surprise, as she was

very out-there and open to any experience that came her way, so she'd more than likely had her share of lesbian encounters – and within just a few minutes I was climaxing loudly, groaning and crying unabashedly.

As my orgasm subsided, I pulled a smug-looking Kiera up for a snog and with the chemistry still electric between us, I realised I may have just found myself the perfect fuck-buddy. We lay catching our breath and I turned to see what everyone else was up to, just in time to see the debagged Father Christmas easing his gigantic tool into Ally's gaping twat – helpfully held open by a panting Naomi. Santa sucked at Naomi's tits as he humped halfway inside my friend's hole, making Ally squeal with each thrust, while Naomi's hands moved from her mate's gash to her heaving bosom.

"Mm, I want some of that!" I wailed and dragged myself into place next to Ally who, upon seeing me moving in, grabbed Santa's arsecheeks and pulled him into her, possessively.

"So do I," uttered Naomi and Kiera in unison and positioned themselves next to me until we formed a neat row of spread-eagled, open-pussied sluts gagging for a piece of giant prick.

Our hired lookalike didn't disappoint, plunging his spear into each welcoming hole in turn, giving a few thrusts of his dick before pulling it out and moving onto the next girl. His love-juice soaked shaft moved

looked left and right before taking the mug, pulling his beard away from his face before taking a careful sip. "How do you like your present?"

"Very much, thank you," Santa said, inclining his head to me.

"It helps to warm the cockles," I replied, making Santa choke as he took another fortifying sip. "Sorry," I added innocently, but I didn't look innocent. Santa realised that I was teasing him and looked left and right again before patting his knee.

"Aren't I a bit old to be sitting on Santa's lap?" I asked, as I parked my bum on Santa's crotch.

"I KNELT IN FRONT OF SANTA AND PULLED HIS COCK OUT. WITHOUT SAYING A WORD I TOOK THE TIP INTO MY MOUTH..."

from the fanny-to-fanny, while each of us kept each other on the boil with our fingers.

After numerous climaxes, we decided we were all in need of some spunk and as Santa wanked his meat, we jostled our open mouths before him, like baby birds awaiting a worm. As he came, he waved his wand like a fireman's hose, splattering his thick mess in mouths and over faces, covering us in the kind of decoration we horny girls had all been begging for.

A rather sore Santa wandered off into the night, leaving us to carry on the party. We gave each other a few more gooey 'presents' before the night was over, and proved that giving isn't better than receiving – they're both just as much fun as each other!

Christmas always comes early in Manchester with the arrival of the markets in mid-November. I love the markets as they're an excuse to combine two of my favourite activities, namely shopping and outdoor drinking.

However, this year was extra special as I managed to combine my love of sex as well. It was a wet and stormy Tuesday evening and the market was dead by the time I got out of work. A lot of the stallholders had already given up and were packing away as I hunted out some unusual cheeses and beers for my dad's Christmas present. Thankfully, one of the gluehwein stores was still serving and I got an instant buzz as the hot booze hit my empty stomach. That was when I spied Santa forlornly looking at his watch. Ordering a couple of gluehweins, I sauntered over.

"I got you a present, Santa," I said, offering the steaming mug. Santa

"So..."

"Liz."

"Have you been a good girl this year?"

"Oh no," I replied lightly. "I've been a naughty little slut."

"Really?" Santa asked, as I wriggled on his crotch. "You do surprise me."

"It's not my fault, Santa. My boyfriend likes me being naughty. He likes it when I play with his cock."

"I'm sure he does," Santa croaked.

"He's got a nice big cock and the thing is, I really like nice big cocks," I said, feeling the cock under my bum beginning to stir.

"What is it you want from me?" Santa asked.

"I don't think you're allowed to give me what I want. I don't think Mrs Santa would allow it."

"What do you want?" he hissed.

"I want Santa to fuck me," I whispered, putting all my desire into the last two words.

"What will your boyfriend say?"

"What will Mrs Santa say?" I retorted. "So, are you going to take me in your grotto?"

"I haven't got a grotto as such but there is somewhere I could take you. Just wait while I lock up."

"Oh Santa, I would wait for you all year," I said, chuckling to myself as I returned the mugs. Santa was waiting by the time I'd got my deposit back. "So, where are you going to take me?" I asked, copping a feel of the bulge in the front of Santa's suit.

"Here and now," Santa said, pushing me into the gap between two stalls. Dropping my shopping bags, I knelt in front of Santa and pulled his cock out. Without uttering another word, I took the tip into my mouth. Using both hands and my mouth, I soon had Santa moaning about how great it felt.

"This is the best Christmas present a guy could get," he said. "My

girlfriend usually gets me socks.” I burst out laughing with Santa’s cock still in my mouth.

“You bloody liar,” I protested. “I’ve never bought you any sodding socks.” We had to stop what we were doing as a few stragglers showed an interest in the girl stroking Santa’s sack. As soon as they had scurried away, I grabbed my boyfriend’s cock and introduced its tip to my tonsils.

“Oh my god,” Stephen groaned, as I sucked and slurped away like mad. “There’s someone coming!” I have an exhibitionist streak and spying two women approaching, I decided that I wasn’t going to stop. Heat fired up through my groin as I wedged myself against the wooden wall of the stall while continuing to give an enthusiastic blow-job. As is the way of the world today, the women stopped and both started pointing their camera-phones at my face.

“Either of you girls want to help me empty Santa’s sack?” I asked, while continuing to stroke my boyfriend’s cock. Two jaws dropped open in surprise. “He only comes

once a year, so it’s a very rare opportunity.” Both girls simply stared at me, their breath misting in the night air.

“Go on then,” one of them said, dropping down beside me. Her blue eyes were filled with wonder as I swung Stephen’s cock towards her mouth. Looking up, his expression was hidden by the beard but his eyes were ablaze with shock and lust. I could feel the girl’s breath on my hand as I continued to wank my boyfriend’s cock, then her lips touched my fingers as she took Stephen’s tip into her mouth. As my fingers retreated down Stephen’s shaft, she worked her way down with obvious enthusiasm.

“Yes! Suck it!” her friend cried, pushing the phone closer to the action. “Suck Santa’s cock!” The mystery cock-sucker paused to say something to the watching camera and I took advantage by snatching Stephen’s cock for myself. It felt so

good to have his throbbing manhood back where it belonged but we both knew it’d be much sexier if I sacrificed my boyfriend’s load.

“Jesus,” Stephen muttered, as I made a tactical withdrawal which allowed the girl to push her mouth back down his shaft. This time I focused my attention on her, running my fingers through her hair as I whispered in her ear.

“I think you’re going to make Santa come,” I said, and watched as the fingers tightened around my boyfriend’s cock. “I think he’s going to blow his load into your mouth.” My heart started thumping even more wildly. “Open your legs if you want me to rub your pussy.” The girl moaned loudly around my boyfriend’s cock and for a moment I thought he had started to come into her mouth. However, whereas she had been wanking him harder and faster, she suddenly slowed things right down, allowing Santa’s cock to slip fully out of her mouth. As she slid her lips up and down the spit-covered shaft, her knees spread wide, offering my hand free access up her skirt. Her body stiffened as my fingers ran up her inner thigh. “Mmmm. It’s nice and hot up there,” I whispered. “Hot and wet,” I added, touching the tip of my tongue to her ear as my fingertips found the lacy material of the girl’s knickers. “Do you like me touching your pussy?” I asked, tracing my fingers along the centre of her furrow before returning to the top of her slit. “How about when I rub

your clit?” I asked, pressing down.

“Oh!” she gasped, her hips squirming.

“Why don’t you finish Santa off, you dirty girl? Then I can make you come with his spunk in your mouth... or in your belly.” The knickers grew damp under my fingers as I rubbed more firmly.

“I’m going to come,” Stephen announced, and I felt the girl jolt as gooey spunk filled her mouth.

“I want you to come too,” I hissed, keeping to the same relentless rhythm. “As Santa’s spunk slides down your throat into your stomach.” The spasms started instantly with feverish jerking giving intense sexual reward to the woman’s whose name I didn’t even know.

“Oh Santa! You came!” the girl with the camera phone exclaimed.

“He certainly did,” I whispered. “And I’d love to make you come again.”

“I... uh...” she said, in a dazed response.

“I’d let Santa fuck you.”

The girl turned sharply and looked into my eyes for a few seconds before making a decision. “That sounds like fun,” she said. We exchanged text messages as Stephen and the camera girl studied the footage on the phone.

“Nice girl,” Stephen said, wearing a wide grin as girls headed off.

“Glad you think so as we’ll be seeing her again.”

“Really?”

“Think of it as a Christmas present for both of us.”

“Better than socks, I suppose,” Stephen teased, earning himself an elbow in the ribs. Definitely better than socks, I thought.

I like the winter as I grew up in a hot climate without much difference between the seasons, so I appreciate the changes of weather in the UK. Mostly it is the cold crisp

weather that I like best, not least because I am an

enthusiastic walker, and love to get out and walk the country lanes, woods and hillsides near the village where I live.

Living in the village can sometimes get lonely, but overall I find life in the countryside suits me, and besides, I often make friends online. I buy and sell things on eBay, mostly items I find at car boot sales, and I have met one or two boyfriends there.

A while ago I sold some hiking boots to Joe, a really nice bloke who lives only a few miles away from me. Finding we had a lot in common we arranged to meet up for a ramble in the winter countryside, and things got hotter than a log fire by the time we made it back to our cars.

We had decided to climb to a ruined tower atop a wooded hill, a well known beauty spot in the area, and having met up in a nearby pub car park, we set off in the bright wintery sun. We chatted easily for the first few

miles, flirting and teasing one another as we became better acquainted.

By the time we reached the top we had become very intimately acquainted indeed, and once in the shelter of the old stone tower Joe tilted my chin up so he could kiss me hard on the lips. Somehow in all the chemistry which was exploding between us we forgot about the stunning view, and as the stiff climb up the hill had made us both perspire we cast off our padded jackets and got stuck into one another.

Caught up in our passion, and feeling uninhibited by the loneliness of our surroundings

MY PUSSY JUICES SEEMED TO FLOOD INTO MY PANTIES AS EVERY NERVE ENDING WENT INTO OVERDRIVE.

we practically tore off one another's clothing. Seeing Joe's body naked for the first time I quivered with lust, and not feeling the cold I knelt down upon the heap of clothing on the stony floor of the tower, and, cupping his large balls in one hand, began stroking his grand thick cock with the other.

I was still wearing my jeans but my top was naked and my large DD breasts were swinging free. The cold pinched at my nipples making them hard and extremely sensitive, and when Joe began playing with them my pussy juices seemed to flood in my panties as every sensual nerve ending went into overdrive.

My pussy muscles clenched as I took a mouthful of his fleshy cock-head, sucking it hard and tasting his pre-come as my tongue lapped over his succulent helmet. Joe moaned and squeezed tighter on my nipples, making me open my mouth wider as I gasped and allowing his cock to push deep into my mouth.

I had never been deep-throated before and I struggled not to gag, but once I relaxed it felt good and I began to suck even harder until my cheeks hollowed.

Joe murmured in approval and pleasure but shortly afterwards he very gently pulled back, whispering anxiously that he was too close to coming off and wanted to pleasure me properly. He held out his hands and pulled me to my feet, picking up my jacket and draping it around my shoulders as I had started to shiver. He drew me to him, warming me as his arms enfolded me, pressing his rigid cock against my belly.

We kissed and then he led me to the stone window which looked down from the top of the hill for miles over the countryside. It was a beautiful view and I stood on tiptoes to get a better view. The thick stone ledge was about waist height and Joe slid his hands down the waistband of my jeans and began caressing my bum-cheeks. I pushed back against his hand, cooing as his fingers slid down my arse-crack and he began frigging my moist pussy-lips.

He was a bit of an expert in that department, and soon my pussy was clenching tightly around his fingers as they slid in and out between my swollen labia. I closed my eyes and allowed myself to be propelled towards orgasm, gasping wildly as he finger-fucked me to climax. I was gasping for breath by the time he had finished and when he turned me to face the tower wall and yanked my jeans down to my ankles I was like a rag-doll, malleable and compliant.

I kicked off my hiking boots and Joe yanked them free and told me to put my hands on the wall and brace myself for the fucking of my life! I was only too happy to go along with him. My pussy was still pulsating with pleasure after my mind-blowing orgasm and I would have done anything for him at that point. He started by caressing my tits and playing rough with them until I was almost crazy with need. I pushed

my arse back towards him and begged him to fuck me.

Joe let his hands slide down to my pussy and began frigging me again. My juices seeped over his fingers, coating them with my warm fluid. Joe sucked his finger and then slowly began to massage my arse ring, working my pussy juice into it until it was lubricated. I almost swooned with pleasure as he then nudged his helmet against my anus. I relaxed my sphincter as he inched it gently inside me.

I was loving every moment as Joe took hold of my tits again and began fucking my ring with long slow strokes. Getting into a rhythm I pressed back to meet his thrusts, moaning as he started fucking me harder and faster. Bracing myself against the wall, I gave way to my excitement, coming loudly as Joe finally fired his load deep inside me.

Dear old Bing Crosby might have spent what felt like half his career dreaming about the prospects of a white Christmas, but here at *Mayfair* we rather fancy the idea of a green one – especially if it's valley girl Emma Green we're talking about! She's been a rock hard favourite of the magazine all year, so we thought it only right to get her in for one final shoot before we bade farewell to 2014, closed our eyes, pinched our noses, and jumped headlong into 2015! So Emma, have you got any plans for the next year?

"Well, I've been having so much fun this year I just want to carry on, really! I'd just like to thank all your readers for all the fantastic letters and tweets I've had this year. Keep them coming!"

Ahem, we're sure you will, Emma!

Christmas, we're always telling the Ed, is a time for giving - not that it does us much good, the stingy bugger (*What are you talking about? You had nearly 3 whole days off last year! - The Ed.*). Still, one thing he has deigned to give us this year is a final chance to hook up with the office's rear of the year, Miss Jenny Laird! And if that little Santa costume doesn't manage to cover up much of said rear, well who's complaining!? Admittedly, she might not be as traditional a present as a spinning top or a train set, but we certainly know which we'd rather spend the afternoon on Christmas day playing with. Apart from anything else, you wouldn't have to worry about batteries! If he keeps up this level of generosity, we might just have to scribble a 'thank you' note some time in January!

Two hillbillies, Cletus and Clarence, who live on opposite sides of a wide river, have been feuding since they were kids, vainly firing shotguns at each other's distant forms across the water.

Finally, the County builds a bridge across the watercourse. The very day it is completed, Cletus storms out of his shack, shotgun in hands. His wife says: "Where in tarnation you a-goin'?"

He says, "Gonna blast that son of a gun Clarence's ass off the doggone planet, Ellie, you betcha."

He gets halfway across the bridge then squeals and starts running back. His wife says, "Why ain't you done run across that nice new bridge 'n' shot that there no-good fucker?"

He replies, "Well, I got near to abouts halfway across and I sees a sign on the bridge says 'Clearance 14'6"! Heck, Ellie, he's way too big for me to fuck with."

A druggie on speed feels incredibly horny, so he walks into a whorehouse to get himself a bit of how's your father. Once inside, however, he remembers that he's squandered all his money on mind-altering drugs, so he says to the Madam: "Listen, I only have a couple of quid. What can you do for me?"

The Madam says "Not much. But go up these stairs and try the first door on the right." The guy goes up the stairs and in through the door. He sees a chicken strapped to a card-table with leather belts. He is a little disappointed but the drugs are really kicking in so he figures: "Oh well you get what you pay for!" - and so he knobs the chicken within an inch of his life, its feathers flying everywhere.

So the next day the guy is still a bit high but has a bit more in his wallet and decides to go back to the whorehouse. He says to the Madam: "Listen lady, I've only got five bucks today. Can you do anything at all for me?" "Sure," says the madam. "Go up them stairs and try the door on the left this time".

The guy goes in through the door on the left and finds a bunch of guys staring through a two-way mirror at two beautiful lesbians having sex.

"This is fantastic! Only a fiver for a show like this!" the guy says to one of the other men.

The other man says: "Yep. But you should have been here last night. There was a fella in there fucking a chicken!"

M When nuns are admitted to Heaven they go through a special gate and are expected to make one last confession before they become angels.

One day several nuns are lined up at this gate waiting to be absolved of their last

"I'm lost," says the man. "Can you put me up for the night?"

"Certainly," the Chinese man replies, "but only on one condition. If you so much as lay a finger on my beautiful daughter I will inflict upon you the three worst Chinese tortures known to Man."

"Not a problem," says the man, thinking that the daughter must be pretty old as well in any case and enters the house.

But no... Before dinner the daughter descends the stairs. She is young, gorgeous, with a fantastic figure.

She is obviously attracted to the young man as she can't keep her eyes off him during the meal. Remembering the old man's warning, however, he ignores her and goes up to bed alone. But during the night he gets the most incredible stiffy just thinking about her and sneaks into her room for a night of passion. He is careful to keep everything quiet so the old man won't hear and, near dawn, he creeps back to his room, exhausted but delighted with himself and nods off.

He wakes suddenly to feel a pressure on

sins. "And so," says St. Peter, "have you ever had any contact with a penis?"

"Well," says the first nun in line, "I did once just touch the tip of one with my finger."

"I see," says St. Peter, "dip your finger in the holy water and pass on into heaven."

The next nun admits, "I once massaged one a little."

"Okay," says St. Peter, "rinse your hand in the holy water and pass on into heaven." Suddenly a nun tries to jump the queue.

"Sorry, your Excellency," says the nun who is trying to improve her position in line, "but if I'm going to have to gargle that stuff, I want to do it before Sister Josephine washes her arse in it."

M A young man is wandering, lost, in a forest when he happens upon a small house. Knocking on the door he is greeted by an ancient Chinese man with a long, grey beard.

his chest. Opening his eyes he sees a large rock on his chest with a note on it that reads "Chinese Torture No. 1: Anvil on chest."

"Well, that's painful but still pretty crappy," he thinks. "If it's the best the old man can do then I don't have much to worry about."

He heaves the anvil off his chest, rolls it angrily across the bed and out of the window. As it drops out of sight he notices a note pinned to the curtains which reads "Chinese Torture No.2: Anvil tied to left testicle."

In a panic he glances down and sees that the line is whipping out the window after the anvil. Reckoning that any number of broken bones is preferable to losing his testicle, he screams and follows the line out of the window head-first. As he plummets downwards to where the anvil sits on the ground he just has time to read a large painted message on the stone patio below: "Chinese Torture 3: Right testicle tied to bedpost."

With beautiful long blonde hair at one end, and fishnet-clad tootsies at the other, there ain't much about Sussex born beauty Holly Gibbons that isn't pretty well perfect, is there? We'd almost like to be able to say that she's got some sort of horribly, screechy voice or likes to talk with her mouth full, but even her accent and table manners are top notch as well. So the big question is, who's going to be the lucky guy who ends up snaffling this epitome of loveliness...?

"Ha – epitome of loveliness? I like that, but honestly, I'm sure I've got just as many flaws as the next person!" she says, rather over-modestly. "And as for who's going to end up 'snaffling' me – well I'm not thinking about that. I don't intend to settle down until I'm 30 or so, so I've got a few more years of fun left!"

OK guys, so now's your chance!

Of course we like to feature girls from all over the UK (and occasionally beyond), but if for some historical twist of fate the county of Essex had never been created, we can't help thinking there's be a gaping hole in our magazine, month in, month out! Take Sophie Star here – she's another Essex-born babe who's done her bit to raise the spirits of the nation's manhood by showing us her beautiful bits and, er, boobs – so what, we asked her, is it about girls who hail from that neck of the woods...?

"I don't really know! We used to have a bit of a reputation for being airheads in Essex – a reputation that hasn't been helped by one or two TV programmes in the last few years – but basically I don't think we different from the girls in any other county. We like to have a laugh and a bit of fun – but what's wrong with that?"

Absolutely nothing at all!

LORENA

Age: 27 Vital Stats: 32A-24-36 5'8"
Photographer: DDF

It's been rather a while since we last tracked down super-sexy señorita Lorena for a look at her wonderfully trimmed snizz, so we thought it only right that we push the boat out and arrange to have the shoot at a Mediterranean villa we like to frequent now and then. We thought that if we impressed her, she might just get a bit carried away. Seems our plans were half-cocked, though...

"Ah, it's just like my uncle's place!" she grinned when she arrived. "Every year the whole family likes to get together for a couple of weeks in the summer in his villa. I've been going since I've been a little girl, and there are always loads of cousins and aunts and uncles there. Really, I couldn't possibly misbehave in a place like this – I'd feel really guilty about it!"

Ho hum! We'll just have to make do with the sight of her showing off that wonderful bod instead. Not such a bad boobie prize, really.

MAYFAIR Movies

Has your grumble flick collection started to look a bit threadbare of late? Perhaps it's time you slung out those Super-8s stag reels and splashed out (literally) on some shiny new DVD ones instead, then!

PICK**

ASA GETS WICKED
Wicked

CAST: Asa Akira, Jessica Drake, Cindy Starfall, Kaylana Lei.

This flick is newly-contracted cutie Asa Akira's first offering in which she is shot by someone from Wicked Pictures. The Los Angeles Police Department has a man in custody, but as yet the murder weapon, thought to be a pimp-action shotgun, has not been found.

All right. Now I'm going to be straight with you. Elements of the previous paragraph are untrue. The bald truth is that Asa Akira is Wicked's latest contract girl and that this is her first feature as a star. Asa appears in six scenes, all of which swirl her off even further down the moral sink to the big "anything goes" style orgy in the flick's finale - or sexptic tank, if you wish to pursue the metaphor.

In any case you get to see EVERYTHING. First out of the starting gate to think "phwoar, I wouldn't mind a bit of that - but I'd prefer her in one piece, obviously" is Mr Pete, who enters an abandoned gas station with Asa and Jessica Drake. This looks like as good a place as any for Mr Pete to put his "phwoar" thoughts (as described above) into action - which he promptly does. He subsequently becomes the filling in a legs open sandwich, and winds up splashing ejaculate on their pretty faces - though I'd have preferred him to just use spunk like anybody else.

Other highlights in an elegant bunch of very varied set-ups include Asa in the guise of a masseuse (but I recognised her - there's no fooling me!) with Johnny Castle lying behind her on the table waiting for a happy ending - like Bilbo returning triumphantly to Bag End or Bonnie and Clyde sharing that one electric loving gaze across the bonnet of their car as the ambush party apply first pressure to their triggers.

Needless to say, he gets a very happy ending, and a rather conteted looking middle as well thanks to the Asiatic cutie. Not too shabby whatsoever!

Asa appears in six scenes, all of which swirl her even further off down the moral sink...

THE DOCTOR

CAST: Francesca Jaimes, Victoria Summers, Georgie Lyall, Loulou.

A fine frisky spoof of Dr Who (herein Dr Screw) and what he might get up to in his TARDIS if he suffered a porno regeneration with tattoos and banged every bit of skirt in sight into the middle of next week – which, having a time machine, he actually can do, it's not just an expression. In fact he could bang them into the middle of last week if he so chose.

When the horny Timelord (played by Danny D, presumably on the grounds that a) he's British and, moreover b) he's a cocksman who works for Brazzers) makes a daring attempt to rescue Lisa (Francesca Jaimes) from the zombie space girls (bear with me, please – I don't write these infernal plots) he is mortally injured and must regenerate. He desperately needs an adrenalin rush so Lisa drops to her knees and sucks him as though the entire time-space continuum depends upon it. She saves the day and savours their whey.

Dr Screw also has a tryst with inter-dimensional nympho Gaija Thorax (Loulou, although you might not recognise her) who's been terrorising poor superstitious Earth folk. They think they're being

haunted but Dr Screw demonstrates that what they thought was an apparition is in reality just a buxom blonde babe in search of some class of an inter-dimensional sorting.

He even shags the lovely ladies in his life/lives hard against the controls of his time machine, which would explain the strange grunting and squelching noises the TARDIS makes each time it dematerialises and materialises somewhere else.

See? Everything has an explanation. Personally, though, I still prefer Tom Baker.

Digital Playground

THE VIRGIN

CAST: Allison Moore, Cassidy Klein, Clover, Jade Nile, Scarlet Red.

I used to work on a ranch in the Old West breaking horses, and goodness knows but the subject matter of this feature is not so very different.

Pretend fact: comely brunette Jade Nile has never been with a man – at least not in *that* way. She is an innocent, untouched flower, but naughtily fantasising of experiencing the sensual joy which might come from some bloke sliding his hand up her gusset, or maybe even (good heavens, just look at her blushing) a stout knobbing from a good honest cock. Ooh – but I mustn't, stop it, these are naughty thoughts.

When, in the thankfully early part of this film, she meets an attractive older man (rather like myself) however, she ends up with her clothes in a corner and more than just one cock up her, thinking "oh gee gumdrops"

and "I hope this lot don't get me up the stick".

This is Nature's Way, as the darkly handsome, mature, worldly gent (I flatter myself that it might so easily have been me) is delighted to show her as he introduces her to sexual exploration (e.g. looking deep into each other's apertures). Under his influence, she experiences the kind of excitement you see in a parrot cage if you burst into the room suddenly, and multiple orgasms that the judge ruled should run consecutively. There are mature women shrieking "You pervert!" and young women yelling "OMG you're" (or possibly "you've") "such an asshole".

Long story short: that's her broken in, I'm afraid. Now she's just another willing filly. A slap on the arse and away with her – back into the paddock: she's of no further interest. Send in the next virgin. Oh for shame!

Wicked

SAMANTHA SAINT: COMPLETELY WICKED 2

CAST: Chanel Preston, Samantha Saint, Sophia Fiore.

If you absolutely love Samantha Saint and you're a mayfly then this is the DVD you've been looking for all of your life. If you don't – and I mean, if you literally can't stand the sight of her – which is highly unlikely – then it's going to be a very unpleasant experience whether you're a short-lived insect or not because she's in every scene including the bonus ones and nobody will have the least bit sympathy for you because her name is in the title and you should have paid attention when you bought it.

In the first Samantha Saint Is Wicked we established that she was shockingly promiscuous. In this sequel, "she ups the acne" or whatever the phrase might be, performing interracial sex acts, gagging on multiple cocks to the extent that you wonder if her mouth and cheeks are going to go back to normal again, that the skin won't

★★★★☆

snap back, and diving into bed with enchanting bisexual Chanel Preston. This last caper escalates into a threesome with Jovan Jordan, who was fortunate enough to be passing by innocently sporting a boner.

Other fine scenes I will never forget if I live to be as

old as Connor MacLeod of the Clan MacLeod include one in which Samantha is released from a large wooden box marked "FRAGILE" and pounces on Prince Yahshua, who is either a stuntcock I haven't heard of before, or else heir to the throne of some obscure country whose main export is jism... a generous portion of which is eventually plopped on her tongue.

LEXI

Age: 25 Vital Stats: 32E-28-32 5'10"
Photographer: BB Media

At 5' 10" and with curves in all the right places, you definitely notice Lexi when she sashays into the room – especially if she's wearing high heels, a fetching scarlet set of undies and nothing much else. Conversation tends to go a bit quiet for a while as everyone (and there were quite a few of us there for this shoot, perhaps understandably) tried not to look too bedazzled by her. Luckily the girl herself broke the rather awkward silence by flipping a boob out of her bra, giving us a big wink and saying "Alright guys?"

After that the ice was well and truly broken, although to be honest nobody in the room was more relaxed than Lexi herself as she larked about on the groovy 60's chair we'd tracked down before settling down to the serious business of giving us an eyeful of all her wonderful assets. Hmm, no wonder she's got so many admirers!

SANDY

MAYFAIR Classic

"I've not even seen a cock let alone got my hands on one since I've been here!" sighs Sandy, our sunny stunner currently working as a maid in Southern France.

"When I go abroad I lose all my inhibitions and all my clothes! Last year in Goa I find out how good sucking a cock is, and I gave so many blow jobs that my technique improved no end. I love grabbing a guy's bum and slowly pushing his dick past my lip-sticky mouth, I love rolling just the tip around my mouth with my tongue, savouring its taste, and I love gobbling as much of his length as I can get down my throat. I'm blow job bonkers! So, you see, if I don't find a hard cock soon I'll be all hot and bothered. I've only been here two days but that's two days without a cock too long!" **M**

MAYFAIR Classic

Does anyone recall the great cock drought of 1995? No, us neither, but if a girl as scrummy as Sandy here found herself going short, then we can only assume there was some sort of shortage! Or perhaps it was only in the South of France that johnsons were in such short supply. Either way, we'd like to think that by the time the blonde cutie had made her way back to Blighty, the discerning males of the British Isles would have made sure she was well-supplied again and no longer had to make do with milkshakes and squirty cream!

We've got 100s of ladies on our books...from 19 to 78 years old and they come (or should I say cum!) in all shapes, sizes and nationalities from all over the UK. The only thing they have in common is that they love cock and

they want to have mobile fun with horny, fun-lovin' guys like you.

If you've never tried sexting then you're in for a treat...and with our automated system it's never been easier. All you have to do is text the trigger word GIVE to the shortcode here and we'll do all the hard work of finding a woman who's looking for the same as you...

If you want a woman from your area or a specific type just add it to your first text message...it's so easy.

MAYFAIR

Vol.51 No.13

On Sale Dec 9th

If you haven't got your head round it being 2016 yet you'd better get a wriggle on, because we're up to issue 13 already and it'll soon be time to start trying to get your head around it being 2017 instead. Still, time might be flying these days, but at least that means it's never long to wait before another *Mayfair* rolls around, and next issue we've got all sorts of treats in store for you. No satsumas or family-sized boxes of chocolates, sadly – just loads of naked and horny girls. Girls like Bexie and Valerie here, for starters!
